CLASSES OFFERED ON CAMPUS

Program for 4-Year-Olds and Entering Kindergartners:

Students in this program learn beginning reading skills and develop a love of books. Your child will learn letter recognition, phonics, and sight words, and will learn to read simple words and sentences.

Program for Entering 1st Graders:

In this program, students learn to read independently. Your child will learn phonics and sight words, improve comprehension, and gain the skills and confidence needed for success in first grade.

Program for Entering 2nd Graders:

In this program, students become fluent independent readers. Your child will make significant gains in phonics and word-attack skills, fluency, and comprehension, and will develop confidence and a love of reading.

Program for Entering 3rd Graders:

Students in this program become strong independent readers. Your child will develop the comprehension, fluency, and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

Program for Entering 4th and 5th Graders:

In this program, students make substantial gains in comprehension, long-word decoding skills, fluency, and reading speed. Your child will complete homework more quickly and easily, be more successful in school, and become a strong, enthusiastic reader.

Program for Entering 6th-8th Graders:

In this program, the average student makes substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, earn better grades, and enjoy reading more.

Program for Entering 9th-11th Graders:

The average student doubles reading speed, makes substantial gains in comprehension, and learns study skills. Excellent preparation for the SAT, ACT, and college.

Teachers

Programs are offered by San Diego State University, College of Extended Studies. Classes are taught by professional instructors from the Institute of Reading Development.

"I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!"
