Creative Youth Dance Class with Yellowbird ExpressiveArts October 9th - December 11th, 2018

Creative Youth Dance is a dynamic blend of creative movement, modern dance, and hip hop.

Class flow includes community building, warmup, across the floor, choreography, composition creation, and improvisational structures. This 10-week session culminates in an informal performance on the last day.

Kinesthetic awareness, creative self expression, and intention-based dance share an equal focus.
